

**CENTRAL MARYLAND SOCCER ASSOCIATION
LEAGUE "BYE" REQUEST INFORMATION**

BYE REQUESTS:

Each team can receive one (1) guaranteed BYE request for each season.

The BYE request form must be brought to the pre-season league meeting. If we do not receive your form by this meeting, your request will not be honored. The team which has been inconvenienced by the bye request has the right to request the time and location of the make-up game.

Bye Request games will be scheduled on either Wednesday or Friday evenings; or as a morning (Double Header) game.

If any of the teams involved cannot play on the league assigned re-scheduled date, they must contact their league commissioner within 48 hours of the game being posted. The league will again re-schedule the game. If any team cannot play on the new date, then that team will be assessed a 3-0 forfeit loss.

All games effected by bye requests will be posted on the schedule as "No game, your opponent requested a bye" until the game has been rescheduled.
